[19:49] <thatanonybear> because you're guranteed a nomination
[19:49] <majinboo3> I still dont understand what the marathon is? Is it just any random game the patreons nominate
[19:49] <majinboo3> whats the criteria?
[19:49] <evokalewatat> @DarksydePhil is the patreon goal listed the ideal amount or...? Im confused since you say we're roughly there and it's in the low 900s. Is that just because of the patreon stuff you mentioned where the amount shown is like 10% lower than actual?
[19:50] <butter__my__bread> what about drinking games TPFufun
[19:50] <thatanonybear> he could play Elf Bowling :P
[19:50] <thatanonybear> a Flash classic

[19:53] <neospartanhesperos9> Popsi has the right idea

[19:54] <popsicolo> I need 200 followers to get an achievement. popsicSmug
[19:54] <evokalewatat> @DarksydePhil been rewatching old dsp tries it. have you considered doing a top set of best and worst things youve ever had or is it all so trash tier you couldnt be fucked to discern a worst thing?
[19:54] <trakooma> have a subscriber counter
[19:54] <evokalewatat> @majinboo3 ive seen some top tier moba ones have allegedly ~20k
[19:54] <evokalewatat> eg singsing is roughly that
[19:54] <neospartanhesperos9> Well popsi, there are two-hundred viewers here... OpieOP

[19:55] <popsicolo> You guys PogChamp
[19:55] <seth189> i got u homie
[19:55] <popsicolo> @DarksydePhil Put a meter onscreen during prestream so people have a visual incentive.
[19:55] <majinboo3> wtf?
[19:55] <seth189> @Popsicolo that's actually a good idea
[19:55] <neospartanhesperos9> Shadow the Hedgehog is a sonic game OpieOP
[19:56] <0megaj0ker> What other Sonic games are there again?
[19:56] <majinboo3> So paytrons determine the event but the twitch subs determine if you do the event?
[19:56] <ltpenguin22> Yeah I can already see that plan failing
[19:56] <sweatybackwheelz> !uptime
[19:56] <gabriel_ko> Iâ€™ll give you my \$5 Prime sub!
[19:56] <popsicolo> Shadow x Shrek is my OTP

[19:57] <encelor> how are you guys
[19:58] <seth189> doin aight, you?
[19:58] <suckasurprise> Is there some twitch app thing you can use to put a sub count under your stream?
[19:58] <evokalewatat> @DarksydePhil recommend against the sub meter. friend of mine used it and it caused oeople to without subs to try and get that coveted 200th sub and fucked them for a bit
[19:58] <encelor> @Seth189 good my self thanks
[19:58] <neospartanhesperos9> Not enough submarines PogChamp
[19:58] <seth189> you're welcome, that's good to hear
[19:59] <sweatybackwheelz> How rude
[19:59] <popsicolo> Well if Phil did use a meter it would be in service of a goal like enabling an event, as opposed to just hittting a number.
[19:59] <seth189> ^exactly

[19:59] <thatanonybear> @evokalewatat that's silly and we can work around that
[19:59] <butter__my__bread> living in their pockets
[19:59] <evokalewatat> eh, just speaking from experience tis all
[19:59] <gabriel_ko> That sounds stupid
[19:59] <evokalewatat> a totally live counter can be counterproductive is all
[19:59] <encelor> i missed to much of warframes event gotta grind hard lacR
[19:59] <thatanonybear> being sub number 200 doesnt really mean anything anyways
[20:00] <evokalewatat> yeah
[20:00] <popsicolo> It's a fair point nonetheless evo
[20:00] <evokalewatat> im just saying that people
[20:00] <evokalewatat> just go for arbitrary badges of honor
[20:00] <suckasurprise> Tell us what it is now

[21:07] <patrickc10> The maps could be better, there could be more of them, bust most of Phil's complaints hold no merit. The majority of kills he doesn't get are due to him legitimately poorly aiming and not realizing it. He only dies a lot when he gets annoyed and impatient. He is decent at the game when he is patient

[21:07] <xthetrashcanman> they ripped this from Overwatch

[21:08] <kevingunn3r> hey everyone

[21:08] <patrickc10> I'm a fan of Phil's gameplay so it disappoints me when he blames the game for things he is at fault for. Plus if he wants 1-2 hit kills he needs to play hardcore, Call of Duty has never been a game meant to be realistic. You are supposed to get a lot of kills/deaths. If he doesn't like the base Call of Duty formula that's fine, but that's what COD is.

[21:33] <super_slade> we're in business!

[21:33] <bobbi_ling> ok

[21:33] <elite878> The three developers should come together and make a big epic game but that won't happen

[21:33] <supers18> why would they bother making a new engine? They made 500mil in the opening weekend for this game...

[21:33] <conky89> The plus side of lower graphic fidelity is that the game performance increases

[21:33] <pinkdam> why make an epic game when three bog standard ones will sell far more

[21:33] <encelor> no chance

[21:33] <bobbi_ling> a big epic game based on loot crates dspCowboy

[21:35] <boompoe> lmao
[21:35] <pinkdam> sledgehammer could have used this game as an opportunity to show how they can do it differently, instead they just made another tired call of duty with their own unique sprinkling of shite: even less care for history than usual, lootboxes, and a general aura of cheap and nasty
[21:35] <bobbi_ling> ðŸˆˆ
[21:35] <supers18> lmao, why does he keep comparing this to "real life" lol

[21:38] <orcsrdorks7> Spongebob was my teen years
[21:38] <patrickc10> I think Activision is to blame primarily. I don't think they've given the developers much creative control for years. I bet they demanded lootboxes too, but who knows for sure
[21:38] <byeah_345> is this a full lobby? seems a bit too LOW ENERGY

[21:38] <afarcryaway> New Spongebob has been pretty bad from what little I've watched, but those older episodes had some good moral lessons and such

[21:38] <popsicolo> Phil's character did a lil dance before he hit the ground. CarlSmile

[21:38] <paddingtonbear187> while the enemy laughed and killed him

[21:39] <pinkdam> why couldn't this be a bloody army men game instead of donning the shroud of ww2 to then clown around in, cap in hand for microtransaction money

[21:39] <elite878> @patrickc10 it's definitely the publishers of these games who put pressure on the devs. They expect a return on their outlay. This is business

[21:39] <jannedaarc135> yeahhhhhh

[21:39] <jannedaarc135> destroy dem guns guns guns

[21:39] <thespiccoli> How many kills is he up to?

[21:39] <breath321> I don't even care about microtransactions, I'll gladly spend more money in a game if I love it, but the problem is lootbox, when I buy something I want what I want, not some random chance to get something I wanted

[21:40] <breath321> as long as the microtransactions aren't pay to win obviously

[21:40] <afarcryaway> Phil's best line sometimes comes into my mind, "Don't worry I'm not dead, but I wish I fucking was" XD

[21:40] <thespiccoli> @JanneDaArc135 this one is for 25

[21:40] <paddingtonbear187> k not 50 but im sure its high

[21:40] <jannedaarc135> ah, okay. not sure then/

[21:40] <patrickc10> @Elite878 Definitely. Publishers controlling developers is a massive problem in gaming and in popular series like this in general. Let's not forget Activision's business practices were responsible for running guitar hero into the ground long ago, not the developers who made the games

[21:41] <butter__my__bread> potato

[21:41] <psvfan94> I donâ€™t mind loot boxes in this since theyâ€™re cosmetic

[21:42] <psvfan94> @butter__my__bread Iâ€™ve not seen it

[21:42] <elite878> @patrickc10 yep ðŸ‘

[21:43] <butter__my__bread> na

[21:43] <pinkdam> well if they will do anything for money, they are at fault...

[21:43] <butter__my__bread> i didn't buy the game but i am concerned about Treyarch's game as per usual

[21:44] <patrickc10> Ethically I agree yeah. But this is a problem in gaming, movies, etc sadly

[21:44] <encelor> laser weapons lootbox only

[21:44] <pinkdam> yeah they could put, say, a ray gun in the game

[21:44] <patrickc10> Unfortunately money talks

[21:47] <breath321> @Pinkdam problem is, the vast majority of COD players enjoy it, like the casual playerbase likes it, that's why its still being made, its still profitable

[21:48] <suckasurprise> Phil really wants those bits
[21:49] <afarcryaway> @Elite878 He is a very sensitive person, not saying what he did was justified though xD
[21:49] <pinkdam> no, but who cares about call of duty? spend your money on a better game, reward those who cater for your niche taste
[21:49] <thatanonybear> @suckasurprise Who wouldnt?
[21:49] <breath321> @Elite878 Even some of the mods are pretty paranoid about chat, like anything that sounds remotely insulting of Phil will get banned really quickly
[21:49] <elite878> @afarcryaway nah I understand I held no grudge, I've war him for good few years now.
[21:49] <pinkdam> and when your niche game becomes popular and in all likelihood becomes more like call of duty to chase the money, repeat the process and find another
[21:49] <afarcryaway> @Breath321 I think he was talking about Wings of Redemption
[21:50] <thatanonybear> @Elite878 on a different account or something?
[21:50] <patrickc10> COD would likely only be drastically improved if mass amounts of people stopped buying it in protest, but then Activision would likely just claim there is no longer interest in COD and cease publishing the game instead of giving developers more time and creative freedom. Sadly.
[21:50] <thatanonybear> or unbanned?
[21:50] <coleworldnorrubber> what game mode is this ?

[21:50] <breath321> @AFarCryAway Ah, I really dislike that guy
[21:50] <suckasurprise> @ThatAnonyBear Point taken tpYGOcreepy
[21:50] <elite878> @thatanonybear no I've never been banned in here it was another streamer I talking about lol.

[21:50] <jannedaarc135> phil is on his way
[21:50] <afarcryaway> @Breath321 He has issues, but he seems cool when he's not having his breakdowns.
We're all human with quirks so I can see past it I guess
[21:50] <pinkdam> what you consider an improvement might not necessarily be considered as such by the
average call of duty player
[21:51] <breath321> @AFarCryAway I don't know his attitude and demeanor are extremely annoying to me, he
just has a rude personality or something
[21:51] <thatanonybear> @Elite878 sorry :(i'm always a step behind
[21:51] <thatanonybear> *sawwy
[21:51] <patrickc10> Fair point @Pinkdam . Like I've said I actually enjoy WW2 more than previous COD's, but

[21:52] <afarcryaway> @Breath321 I've been watching him at his best and worst, I often just feel bad for the

loser.
[21:53] <patrickc10> @Breath321 As you can see he frustrates the hell out of me with his blaming of the games
for no reason lol. I started watching him in 7th grade in 08-09. Don't participate in community much but I'm 21
now and still follow him. Genuinely well intentioned guy but he has his flaws. Plus his life isn't the greatest. I
always just hope to see people be happy including him

[21:54] <elite878> @breath321 I can't defend some things he says but I think a lot of his anger comes from issues with his life and himself. On his good days he's a great laugh. I try have compassion for him
[21:54] <afarcryaway> @patrickc10 I feel the same way
[21:54] <thespiccoli> Whats he up to lads
[21:54] <trihard4liife> @patrickc10 i feel the same way
[21:54] <breath321> @patrickc10 yeah Phil has a toxic mentality, his "Nothing I could do" thing is a funny meme but is a really bad mentality to have
[21:54] <paddingtonbear187> 17
[21:55] <suckasurprise> he has 17 killls?
[21:55] <afarcryaway> As someone who has had a gaming addiction and weight issues with depression, I really empathize with Wings at times. But sometimes he's a real cunt
[21:55] <paddingtonbear187> oh boy
[21:55] <patrickc10> A lot of shit with Phil is self inflicted, but his intentions are pure I believe. That's why I try to support him and don't hate on him, it won't help him at all and his life isn't the best. I root for him to overcome everything but it does come back to his mindset a lot of the time
[21:55] <two_bar_king> happy hard to see from video
[21:55] <psvfan94> All terminators lol
[21:55] <pinkdam> dsp isn't actually blaming anything @patrickc10 he just has to say something most every time he dies/loses in a game, it's a reflex that comes from playing fighting games IRL and the sensitivity it imparts when the guy who beat you is right next to you
[21:55] <kushiyakitori> as soon as he checked his score his playing got worse this match. maybe flanking will help?
[21:55] <bobbi_ling> yall buying cod in 2017 LUL

[21:56] <encelor> he needs that 2000 bits
[21:57] <thespiccoli> I'll wait until it's over. If he gets 35 I'll do 3000
[21:57] <trihard4liife> @patrickc10 btw its mostly multiplayer it's like this tbh
[21:57] <breath321> he's almost there
[21:57] <afarcryaway> Like I said early as well, I might not like or agree with everything Phil says, but he's human with positive and negative quirks and traits. Can't really be too mad at the guy for giving us free content to enjoy
[21:57] <encelor> he has to ear it

[21:58] <afarcryaway> @Popsicolo xD
[21:58] <pinkdam> so basically just bear in mind when phil blames X or Y for what just happened it's often a displacement activity not a reasoned argument or belief
